

## HALLOWEEN FUN PROJECT BY WENDY MCGLINCHEY

### Step 1

Using a piece of white card cut and score for your base card - the example card measures 5" x 5" and all measurements to follow are for this base card size.

### Step 2

Cut a strip of white card measuring 1" x 4.5" and another piece measuring 4.5" x 4.5". Using your black card stock cut two pieces an eighth of an inch larger than these two pieces for matting and layering.

### Step 3

Using your 4.5" square piece of white card, spray your colour wash sprays in at least two complementary colours onto the card until you are satisfied with the result. **N.B.** If you don't have colour wash sprays there are a number of ways to colour your background, e.g. watercolour paints or a brayered dye ink background for example. Allow to dry.

### Step 4

Taking the bat stamp, ink it up with black permanent ink and stamp in a random fashion over the background piece. Once dry I have drawn little clusters of smaller bats using a black marker pen. They are very easy to draw - they are just the letter 'm' drawn at various sizes! Practice on scrap paper first!

### Step 5

Once this piece is completely dry matt and layer onto the slightly larger piece of black card stock and attach to your card base.

### Step 6

On your 1" x 4.5" piece of white card stock pop a greeting of your choice on by stamping or using rub ons/peel offs. Another appropriate greeting for this card could be 'Batty For You"! Matt and layer this piece onto the slightly larger piece of black card stock. Punch a hole on the left hand side, pop in your decorative brad and embellish with a short ribbon tie. Using double sided tape attach to the background piece about a third of the way up.

### Step 7

Colour a scrap piece of card in the same way you coloured the background piece and stamp the cobweb corner and the pumpkin in permanent black ink. Cut around your pumpkin image and attach to the greeting strip using 3D foam pads. Cut around your cobweb corner and layer this onto a spare scrap of black card, cut leaving an eighth of an inch border. Attach this to the top right hand corner using double sided tape.

## MATERIALS

- Halloween Set 2 (Mini)
- White card stock
- Black card stock
- Colour wash sprays or other choice of coloured background medium
- Decorative brad
- Small length of ribbon
- Black permanent ink pad
- Black marker pen
- Double sided tape
- 3D foam pads
